Reading Defeats Scranton by the Close Score of 7 to 6.

AMBER-TINGED ERROR RESPONSIBLE

Hazleton Turns the Tables on Pottsville and Administers a Sound Thumping - Allentown Captures One from Altoona - Standing of the Clubs - National and Eastern League Scores - Base Ball Notes and General Sporting Gossip.

WHATEVER chances Scranton possessed of gaining third place in the State League championship race of the first series have been lost by its own defeat and the victory of Hazleton over Pottsville yesterday. Therefore, the best we can expect of our club is that it will finish fourth, but to gain that position it will have to defeat Reading in the game to be played today.

The following tables give the percentage of the clubs, together with the number of games lost and won by each and their standing in the championship race:

Table with columns: Club, Won, Lost, Per Ct. Includes teams like Harrisburg, Allentown, Hazleton, Reading, Scranton, Pottsville, Altoona, Easton.

SCHEDULE FOR TODAY. Reading at Scranton. Allentown at Altoona. Pottsville at Hazleton.

WE CAN'T WIN ALWAYS.

That Coveted Third Place is Now Irretrievably Lost to U. Reading, 7; Scranton, 6. And it might have been different had Westlake for Scranton not made such a dizzy throw of an easy hit ball about - well, it's hard to surmise how high it really was over the head of First Base man Massey, allowing Torreyson to score.

But almost everything goes in a game of base ball. While the game yesterday was not what might be called a brilliant one, yet the closeness of the score and an occasional "smart" play kept the patrons of the game on the anxious seat.

Scranton failed to score in their half of the first inning. For Reading after Fox was given a base on balls he was advanced to third on Torreyson's two-base hit and scored on Beaumont's out from Westlake to Massey. Score, 0 to 1.

In the second inning Fielman had been retired at first Staltz reached first on a short infield hit, Massey took his base on balls, both advanced a base on a simultaneous steal, after which Staltz scored on Westlake's sacrifice and Massey walked on Hodson's pretty hit. The side was retired on Hodson's force out at second off Hogan's hit. Reading failed to score in this inning and the score then stood 2 to 1 in Scranton's favor.

The third was productive of no runs for Scranton. Henry made a brilliant catch of Westlake's long drive to left. Fatchen went out at first as will Rogers flied out to O'Hara. It was in this inning that Reading scored the runs that won them the game. Miller was given a base on balls and scored on Fox's three-base hit to right center. Torreyson reached first on a short hit, Beaumont's sacrifice scored Fox. Torreyson scored on Westlake's sacrifice. Reading could do nothing in their half of the inning.

In the fifth inning, after loose base running by Scranton which retied the side, Reading scored on Fox's three-base hit and Torreyson fly out to Hoagan.

The score was tied in the sixth inning on a hit by Massey, who was advanced to third on Torreyson's error of Westlake's intended sacrifice. Hodson received his base on balls, and Westlake rapped out a single, permitting both Massey and Westlake to score. Reading was blanked in their half.

GLINTS FROM THE DIAMOND.

The Mobile club has been transferred to Atlanta. Yesterday's defeat caused Scranton to drop back into fifth place.

Scott Baseman, of Nashville, has been signed by Buffalo. Louisville has released infielder O'Rourke and it is said that Denny and Earle will go soon.

Leaming, the former fielder, who has been released by Reading, will sign with Hazleton.

Pepper, the new Louisville pitcher, while not so large a man as Sivetta, is built very much like him.

Tom Brown was presented with a nice new hat for making the first home run by a Louisville player on those grounds.

Pitcher Mullane has been released by the Baltimore Base Ball club. Mullane's release was considered for some time, and was held back because the management desired to effect an exchange if such a thing were possible. No chance showing itself, however, Manager Haulon decided to release Mullane.

Manager Ted Sullivan, of Atlanta, got into a fight with one of his players, Joe Burke, in the dining room of a hotel. Plates, cups and saucers played an important part in the scrimmage, and then the landlord took a hand. He had both Burke and Sullivan arrested, and it cost them each \$25 to settle with the judge.

The members of the Harrisburg State League team were placed under arrest at Pottsville Thursday evening for breaking the Sabbath by playing ball last Sunday at Shenandoah. The warrant was sworn out by Rev. William Powick, of the Shenandoah Methodist Episcopal church.

Conkly was going to try and get Hogan, the Pennsylvania outfielder, until he was told by Arthur Irwin that about all there was to him was his fast running.

Pittsburgh Telegraph. Mr. Irwin's recently expressed opinion concerning ball players would indicate that Arthur is troubled with bile on the stomach. He is certainly not living on good terms with himself.

Hogan is not only fast footed, but one of the best outfielders in the country. Within the past few weeks Hogan's batting has fallen off somewhat, but that is an experience that every ball player meets with. He will soon be batting in his old time form again.

MEET OF GENTLEMEN DRIVERS.

Horses That Are to Appear at the Next Meeting of the Gentlemen's Driving Club will be held this afternoon at the Driving park, and judging from the long list of entries for the four events and the manifested interest of the members, the affair will be a success. Admission will be by invitation only.

Twenty-four entries have been made as follows: six in the 4-minute class, to top road wagons; six in the 3-minute class, six in the 2:30 class and six in the 2:40 class. All the races are to be half mile heats, best two in three, National association rules to govern. Judges and time keepers will be selected at the track. The first race will be started at 3 o'clock.

The particulars of the entries are as follows: First race - 4:00, to top road wagons: 1. John Fritz, b.m., Grace R. 2. Louis Bunell, b.m., Belle B. 3. Thomas Moore, b.g., George M. 4. Dr. J. L. Weitz, s.m., Mollie Bawn. 5. E. J. Goodwin, b.g., Lightning Rod. 6. J. R. Mearns, b.m., Hazie.

Second race - 3:00 class: 1. Dr. Leonard, b.g., George L. 2. Professor J. F. Seigel, b.g., Frank S. 3. Alfred Harvey, b.m., Hard Silk. 4. L. Peterson, b.m., Nellie B. 5. John Fritz, b.m., George W. 6. H. B. Reynolds, b.g., Harry.

Third race - 2:30 class: 1. Walter Jermyn, b.m., Edith. 2. Charles Schadt, b.g., Johnny. 3. Dr. G. E. Hill, b.g., John. 4. A. L. Spencer, b.g., Thief. 5. Dr. Charles Hill, b.g., Jack. 6. L. T. Parker, b.g., Duke.

Fourth race - 2:40 class: 1. J. M. Kammerer, b. g., Windsor Boy. 2. Walter Jermyn, b. m., Magnolia. 3. Dr. Charles Hill, b. g., Jim Mearns. 4. L. Peterson, b. m., Nellie B. 5. A. L. Spencer, b. m., Mollie S. 6. M. H. Dale, b. m., Pee Dee.

The horses that will probably be placed have been tipped in one, two three or four by THE TRIBUNE by "Centaur" as follows: First race - 1. Mollie Bawn. 2. George M. 3. Grace R. Second race - 1. Hard Silk. 2. Frank R. 3. George L. Third race - 1. Jack or Johnny. 2. Edith. 3. Thief. Fourth race - 1. Jim Mearns. 2. Windsor Boy. 3. Magnolia.

J. R. Mearns' Hazie may upset all the predictions for the first event. The mare was brought over from Hazleton by her owner, and it is not very well known here what she can do. "Centaur" is also in doubt as to the result in the 2:40 class. Mr. Kammerer's Windsor Boy was purchased recently, and horsemen do not know his pedigree nor from whence he came. His owner only smiles when the horse is mentioned.

W. H. Milliken, of Baltimore, won the mile open, class B, which was the principal event of the Baltimore Cycle club's races July 4. The time was 2:57.

The New York Athletic club's crew won the four-oared shell race in the Schuylkill navy's regatta at Philadelphia Wednesday and the Triton Boat club won the senior eight-oared shell race.

F. J. Jenny, the crack rider of Utica, N. Y., won the four prize money in the Waterbury bicycle race, taking the quarter-mile open, mile open, half-mile open and two-mile handicap.

M. L. Flair, alderman, Fifth ward, Scranton, Pa., stated Nov. 9, 1893, "I had used Dr. Thomas' Electric Oil for sprains, burns, cuts, bruises and rheumatism. Cured every time."

NO VACATION FOR MANY

Employers Plead That the Times Are Hard. When Escape from Debilitating Summer is Not Possible. Thousands Will Follow the Example of Mabel Jenness.

Vacations are in sight - for some. But there are myriads of over-worked men and women who will get no vacations this year, who will stay at home and simply work and suffer.

Employers plead hard times. But these tired out, too often complaining men and women need to be told how poor they, and not their employers, really are. They endure the worst kind of poverty, as if it were something there was no use struggling against - poverty of blood and nerves; and it is not until their bodies and brains break down that they complain and seek help.

Continued headaches, poor appetite, a constant tired feeling and nervousness should convince any reasonable person of the need of a tonic and restorative for exhausted blood and nerves.

The ideal invigorator and restorative remedy for a "run down" system, for thin, poor blood and diseases of liver, kidneys and stomach is Paine's celery compound. It feeds worn out nerve centers and builds up the strength and elasticity of the body.

One takes on new weight with its use; pale cheeks gain color, and the skin, undoubtedly the best index of health, is cleared up and freed from the disfiguring signs of the bad humors that are in the blood.

Miss Mabel Jenness, who is celebrated for her success in her crusade for physical culture among the gentler sex, has set them a good example, as appears in a letter written by her from Washington.

"I was induced," writes Miss Jenness, "to try Paine's celery compound at a time when I was suffering from overwork and the effect of an accident. I began immediately to realize tonic and blood purifying effects. I take pleasure in saying that, although opposed to medicine in general, I really consider this an excellent preparation."

"I have not been able to take one day's rest since I returned from my long, western trip. I am sure were it not for Paine's celery compound, which has a tonic effect, I should not be able to keep up and work hard."

"I recommended Paine's celery compound to a friend who dined with us yesterday, and on leaving here she went and bought a bottle. I shall do all I can for it, for I believe in it."
